Cr. No. 05-10164 GAO

Dear Ms. Bower:

In addition to the usual automatic discovery, please furnish me a copy of all of the tapes of the telephone conversations between your informant, cooperating witness, and any and all Law Enforcement Agents with reference to the above matter.

In addition, please furnish me copies of all reports, and notes of all conversations relating to an informant or cooperating witness and any agent of any law enforcement agency with reference to the above matter.

The calls were made from Essex County Correctional Facility in Middleton.

I would also like to review the box of materials taken from my client's cell when he left Middleton. Thank you for your anticipated cooperation.

Very truly yours,
/s/ MELVIN NORRIS
